

# God's Great Love

1. Let not my faith be weak, Nor deem the thought too high,  
2. Love is His glo - rious crown, And love His roy - al - ty,  
3. Let me not think it strange, Or far my pow'rs a - bove,  
4. Let me not won - der why Love reigns in all His ways,  
5. Love is no mys - ter - y, Its faith is clear and bright,

That God's great love my love should seek From all e - ter - ni - ty.  
The sym - bol of His shin - ing throne And its re - al - i - ty.  
That He Whom height nor depth can change Is change - less in His love.  
But let me look with lov - ing eye Till won - der ends in praise.  
It needs no oth - er leave to be Than its e - ter - nal right.
