

# Good Night

D/A - SOL

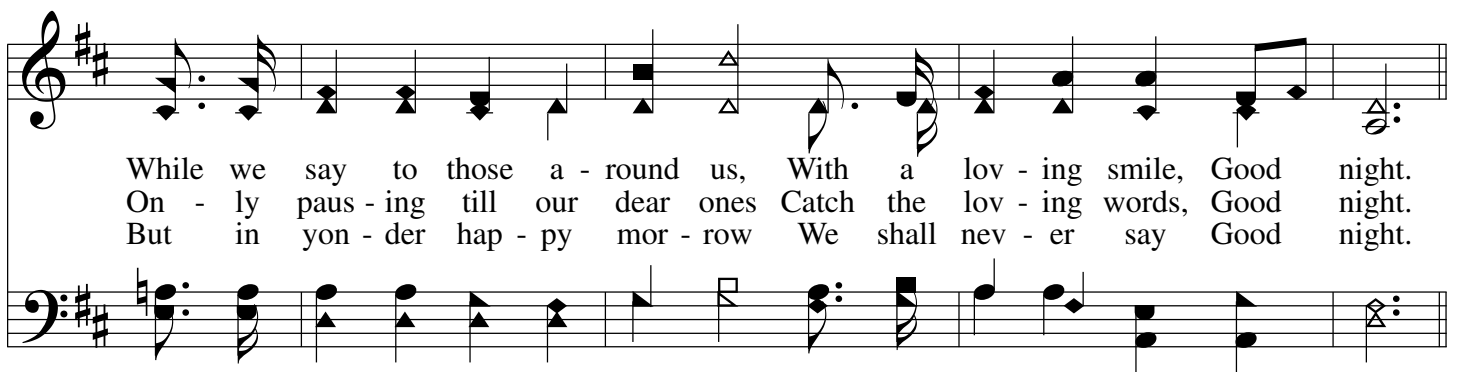

1. O the morn - ing, hap - py morn - ing, That will break on yon - der shore,  
2. O the morn - ing, bliss - ful morn - ing, That from ev - 'ry care is free,  
3. O the morn - ing, gold - en morn - ing, We shall see it by and by,

When the march of life is end - ed, And our har - vest work is o'er;  
And for - ev - er with our Sav - ior And Re - deem - er we shall be;  
Faith be - holds it in the dis - tance. And its dawn - ing draw - eth night.

When we stand a - mid the gloam - ing, And our hearts with joy are bright,  
When the sil - ver cord is bro - ken, And our spir - its wing their flight,  
Here we part, for time is fleet - ing, Ev - er fad - ing from our sight.

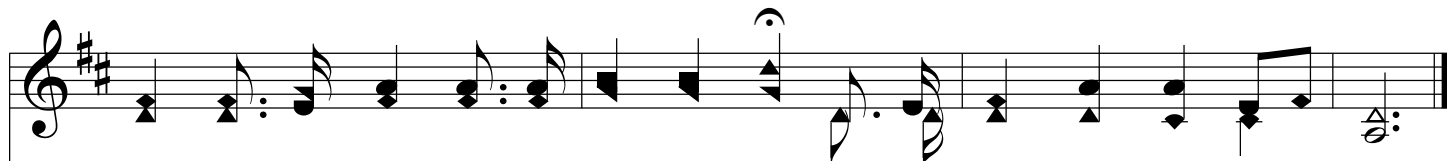

While we say to those a - round us, With a lov - ing smile, Good night.  
On - ly paus - ing till our dear ones Catch the lov - ing words, Good night.  
But in yon - der hap - py mor - row We shall nev - er say Good night.

# Good Night

**Chorus** *A little faster*

Good night, good night, Till we meet in the morn - ing light; Good  
Good night, good night, good night;

night till we meet at the Sav - ior's feet, In that land where all is bright.
