

How Happy Every Child

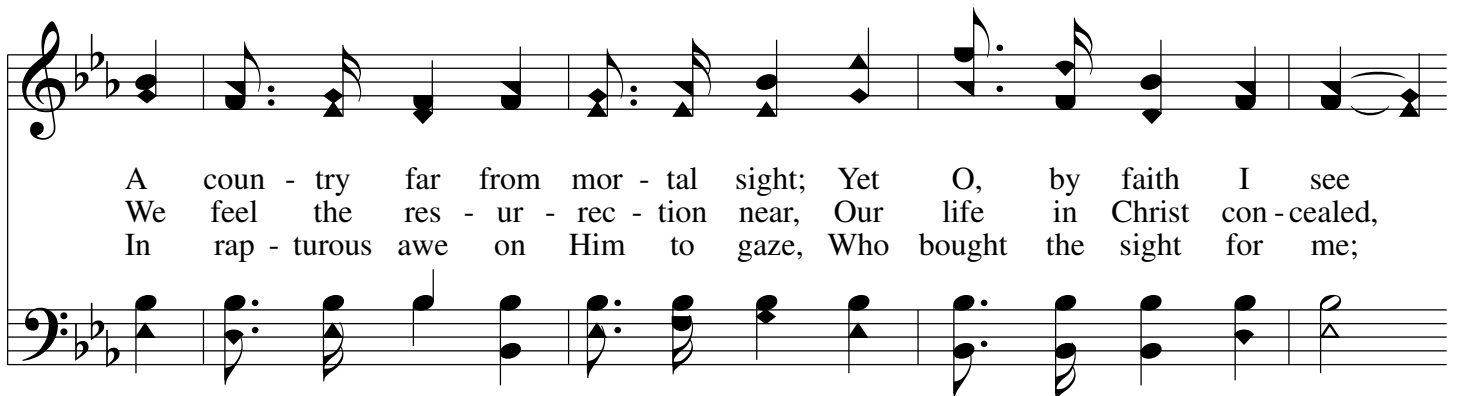

E♭/B♭ - SOL

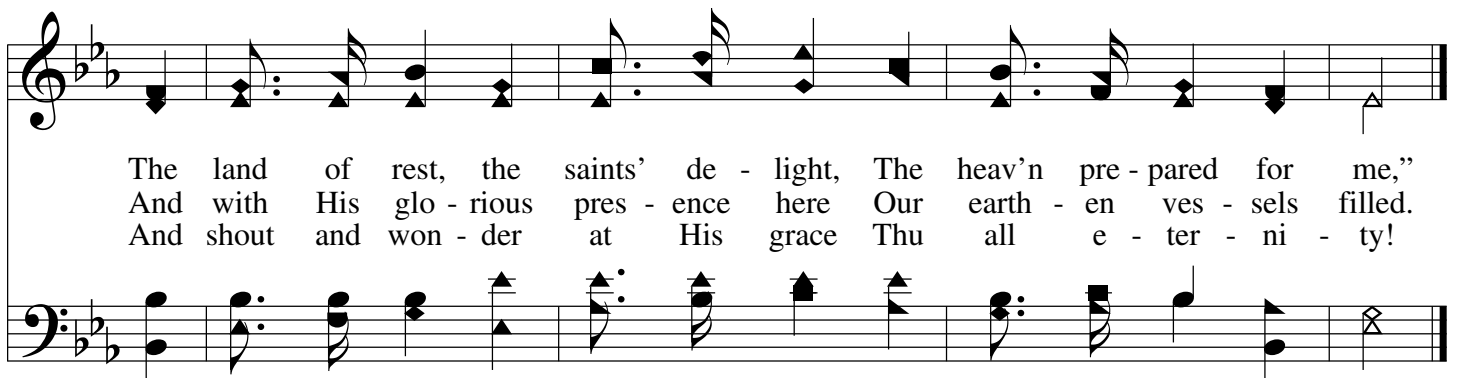

1. How hap - py ev - 'ry child of grace, Who knows his sins for - giv'n!
2. O what a bless - ed hope is ours! While here on earth we stay,
3. O would He more of heav'n be - stow, And let the ves - sels break,

"This earth," he cries, "is not my place, I seek my place in heav'n,—
We more than taste the heav'n - ly pow'rs, And an - te - date that day,—
And let our ran - somed spir - its go To grasp the God we seek;

A coun - try far from mor - tal sight; Yet O, by faith I see
We feel the res - ur - rec - tion near, Our life in Christ con - cealed,
In rap - turous awe on Him to gaze, Who bought the sight for me;

The land of rest, the saints' de - light, The heav'n pre - pared for me,"
And with His glo - rious pres - ence here Our earth - en ves - sels filled.
And shout and won - der at His grace Thu all e - ter - ni - ty!
