1. Safe in the har - bor, the wea - ry find rest,  
 2. Safe in the har - bor, the har - bor of peace,  
 3. Safe in the har - bor, the har - bor of love,  
 4. O glo - rious thought! We shall meet on that strand,

Free from their la - bors and care that dis - tress,  
 Safe from the storms that for - ev - er in - crease;  
 Safe from the storms in that hav - en a - bove;  
 Safe on the shores of that fair E - den land!

Wounds find a heal - ing, all tears wiped a - way,  
 Sor - rows and tri - als and heart - aches are o'er,  
 Life ev - er - last - ing where joys nev - er cease,  
 Sor - rows and tri - als and heart - aches are o'er,

*Rit...*  
 Safe in the sun - light of heav'n's glo - rious day!  
 Safe in the har - bor of life ev - er - more!  
 Safe in the har - bor, the har - bor of peace!  
 Safe in the har - bor of life ev - er - more!
