

# That We Might Be One

1. We once were lost in sin, All hope - less and un - done;  
2. Yes, God so loved the world, He sent His on - ly Son;  
3. May we, thru Christ, com - plete The work in us be - gun;  
4. This pray'er, the Sav - ior prayed, For us, ex - clud - ing none;

But God, to save, His son for us gave, That we might all be one.  
A per - fect plan, He gave un - to man, Thru which we might be one.  
His voice in love, Still pleads from a - bove, That we may all be one.  
"Keep them in peace, Till tri - als shall cease" That we may all be one.
