

# He Lives Within My Soul

D

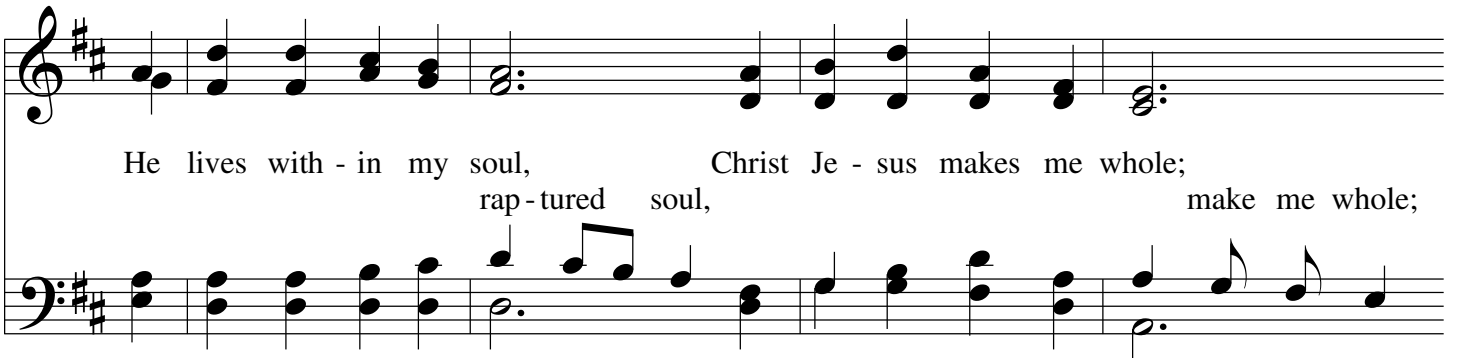

1. There is one tho't more dear to me Than an - y tho't of earth could be;  
2. I have no need to look on high, To realms be - yond the star - ry sky,  
3. O praise His name! 'tis sweet to know, On land or sea, wher - e'er I go,  
4. Yes, till I join the an - gel choir, Till Je - sus bids me go up high'r,  
5. And when I soar to climes of bliss And see my Sav - ior as He is,

It thrills my heart con - tin - ual - ly: God lives with - in my soul.  
For in my life I feel Him nigh Who lives with - in my soul.  
That He who trod this earth be - low Now lives with - in my soul.  
This tho't my be - ing shall in - spire: God lives with - in my soul.  
My song of joy shall still be this: He lives with - in my soul.

O yes!
