

I'm Going There

1. There is a land of won-drous beau - ty Where the "Liv - ing Wa - ters" flow,
2. No tears are there, no blight - ing sor - row From the cru - el hand of death;
3. There ran - somed souls will give me wel - come With a "Hal - le - lu - jah" shout!
4. I've loved ones there who passed be - fore me, They'll re - joice to see me come,

The Word of God to all has said it, And it sure - ly must be so.
No flow - ers fade, no sum - mers per - ish By the win - ter's chill - ing breath.
And I shall en - ter in that cit - y, Nev - er, nev - er to go out.
But best of all I'll see my Sav - ior, Who will bid me "Wel - come Home."

Chorus

And I'm go - ing there some - day, Some - day, some - day,
go - ing there some day, go - ing there some - day,

I am go - ing home to stay with Je - sus.
some - day,
