

One Living Faith

G

1. God's law de - mands one liv - ing faith, And not a crowd of life - less creeds;
2. O Lord, for - give - Thy ho - ly law Grows tar - nish'd in our earth - ly clasp;
3. For - give the sac - ri - lege, and take From ev - 'ry soul th'un - ho - ly stain,

Its war - rant is a firm "God saith;" Its claim not words, but liv - ing deeds.
Pure in it - self, with - out a flaw It dims in our too world - ly grasp.
And help us for Thy Son's dear sake, To keep Thy per - fect law a - gain.
