

Safe in the Harbor

1. Safe in the har - bor, the wea - ry find rest,
 2. Safe in the har - bor, the har - bor of peace,
 3. Safe in the har - bor, the har - bor of love,
 4. O glo - rious thought! We shall meet on that strand,

Free from their la - bors and care that dis - tress,
 Safe from the storms that for - ev - er in - crease;
 Safe from the storms in that hav - en a - bove;
 Safe on the shores of that fair E - den land!

Wounds find a heal - ing, all tears wiped a - way,
 Sor - rows and tri - als and heart - aches are o'er,
 Life ev - er - last - ing where joys nev - er cease,
 Sor - rows and tri - als and heart - aches are o'er,

Safe in the sun - light of heav'n's glo - rious day!
 Safe in the har - bor of life ev - er - more!
 Safe in the har - bor, the har - bor of peace!
 Safe in the har - bor of life ev - er - more!
