

Salvation, O The Joyful Sound

1. Sal - va - tion! O the joy - ful sound! 'Tis pleas - ure to our ears,
2. Bur - ied in sor - row and in sin, At hell's dark door we lay;
3. Sal - va - tion! let the ech - o fly The spa - cious earth a - round,

A sov - 'reign balm for ev - 'ry wound, A cor - dial for our fears.
But we a - rise, by grace di - vine, To see a heav'n - ly day.
While all the ar - mies of the sky Con - spire to raise the sound.
