

The Last Call Of Mercy

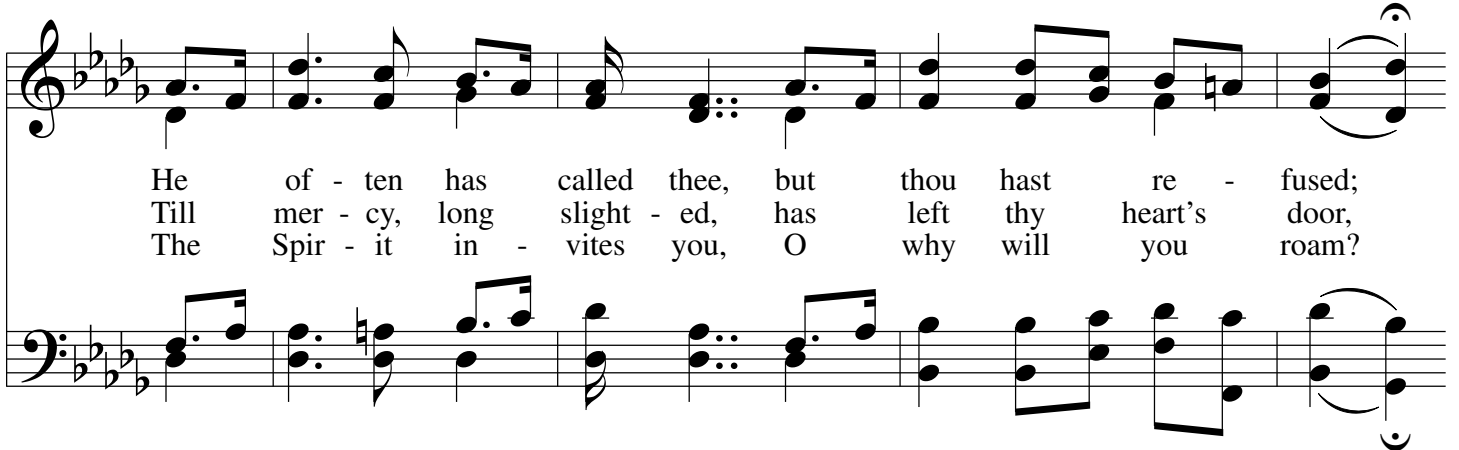

D \flat

1. The last call of mer - cy now lin - gers for thee;
2. O slight not the warn - ing now of - fered at last,
3. While Je - sus is call - ing, O turn not a - way;

O sin - ner, re - ceive it; to Je - sus now flee!
Till sum - mer is end - ed and har - vest is past;
For swift - ly ap - proach - es the dread Judg - ment day;

He of - ten has called thee, but thou hast re - fused;
Till mer - cy, long slight - ed, has left thy heart's door,
The Spir - it in - vites you, O why will you roam?

His of - fered sal - va - tion and love are a - bused.
And par - don, sweet par - don is of - fered no more.
Come now to life's wa - ters, ye thirst - y ones, come.
