

Wait On The Lord

1. Wait on the Lord Tho' dark thy night, Tho' ne'er a star Sheds forth its light,
2. Wait on the Lord When sor - rows press, When tri - als come, When foes dis - tress;
3. Wait on the Lord, Nor doubt His word, Tho' faint thy heart With hopes de - ferred;

Wait on the Lord, He rules the skies; Thy dawn shall break, Thy sun shall rise.
Wait on the Lord, Peace shalt thou know, Thy cup shall fill, Thy joys o'er - flow.
His plans of grace Will swift un - fold, Glo - ry un - thought Shalt thou be - hold.
