

We Will Sing And Preach Holiness

A \flat

1. When first I heard of ho - li - ness I tho't it must be right;
2. I went to a camp - meet - ing And heard them preach and sing;
3. I lit - tle thought of join - ing, I said I could not stand
4. But as I went to hear them, And saw the way they did,
5. My heart be - gan to hun - ger, And thirst and burn with - in;
6. And now I'm one who bears that name, That hap - py, ho - ly band;

It seemed to fit the Bi - ble, And be the Chris - tian's light;
They sure - ly preached the Bi - ble, And made the wel - kin ring;
To be a - mong that peo - ple, That's called the "ho - ly band."
I saw they had a treas - ure, From world - ly peo - ple hid.
I want - ed full sal - va - tion, A free - dom from all sin.
I've crossed the riv - er Jor - dan, And in the Ca - naan land,

I heard the peo - ple sing - ing, And tes - ti - fy - ing, too;
It made me think of heav - en, The Chris - tian's home on high,
The world looked down up - on them, And said they were so rash,
They seemed to be so hap - py, And filled with Chris - tian love;
I went to God for ho - li - ness, And called up - on His name;
The at - mos - phere is pleas - ant, And fruit of ev - 'ry kind;

We Will Sing And Preach Holiness

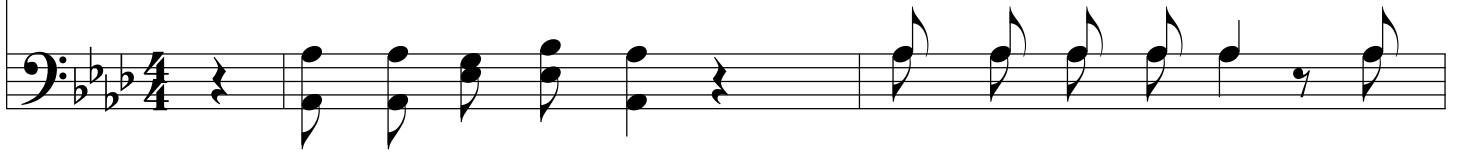

They seemed to love their Sav - ior, As Chris - tians ought to do.
Where they will live for - ev - er, And nev - er, nev - er die.
They of - ten spoke a - gainst them, And said they were but trash.
When peo - ple talked a - bout them, They on - ly looked a - bove.
He cleansed my heart com - plete - ly, And filled it with the same.
When you reach heav - en's por - tals, I'll not be far be - hind.

Sing un - til we die,

preach and tes - ti - fy,
