

Remember Him, The Only One

Gm(B \flat)

Larghetto

1. Re - mem - ber Him, the On - ly One, Now, ere the years flow by;
2. Now, while thou lov - est all on earth, And deem - est all will last,

Now, while the smile is on thy lip, The light with - in thine eye;
Be - fore thy hope has van - ished quite, And ev - 'ry joy has past -

Now, ere for thee the sun has lost His glo - ry and his light;
Re - mem - ber Him, the On - ly One, Be - fore the days draw nigh,

Or earth re - jice thee not with flow'rs, Nor with its stars the night.
When thou shalt have no joy in them, And pray - ing, yearn to die.
