

Psalm 106:5-10

TUNE: BEATITUDO C. M.

5. With all our fa - thers we have sinned, In - iq - ui - ty have done;
6. Our fa - thers did not un - der - stand Thy deeds in E - gypt wrought;
7. Tho' at the sea, cv'n E - gypt's sea, They were re - bel - lious grown,
8. The Red Sea al - so he re - buked, It dried at his com - mand;
9. And from the land that hat - ed them He did his peo - ple save,
10. The wa - ter o - ver - whelmed their foes None lived of all their throng.

We have gone on in wick - ed - ness, In e - vil ways have run.
Of all thy man - y mer - cies shown They did re - mem - ber nought.
He saved them for his own name's sake, To make his great - ness known.
And so he led them thru the depths As thru a pas - ture land.
And from the hand of en - e - mies To them re - demp - tion gave.
His peo - ple then be - lieved his words And praised his name in song.
