

PARTING FRIENDS C. M. D.

"A friend loveth at all times." – Prov. 17:17

Key of G Major

Arr by J. C. Graham, 1859

{ The time must come when we must part, When we must say fare-well; } When I am gone and far a-way,
To part with you gives to my heart A sting no one can tell.

I still will think of thee. I'll think of thee both night and day, O then re-mem-ber me.

I still will think of thee. I'll think of thee both night and day, O then re-mem-ber me.
